Hi Mark

Yes, we would still be interested. I will contact the owner to see if he can be there one of those days.

Thanks

Ryan

Ryan,

Since you were not able to conduct a compliance assistance visit at the Morning Star Market with John we had discussed the possibility that I could go and visit the site before or after the Tribal Lands Forum. Are you still interested, and are you available either Monday or Thursday afternoon? If so can you try to make arrangements with the owner for him to be there? On Monday I can be there by noon and Thursday the Forum ends at 12 so I could be there around 2:30.

Thanks.
